## **OUR VALUES AND MISSION DEFINES WHO WE ARE**

- Giving our best and professional excellence.
- Respond with purpose and meaningful activity.
- Achieving more together.
- Creating a sense of belonging.
- Empowering the team and community to achieve positive outcomes.

## **OUR VISION STATEMENT**

We work to achieve functional goals with children and young adults through practical, innovative, evidence-based therapy, whilst fostering a fun and engaging environment. We believe in the precious value of children and the significant role we play in the most important years of their life.

**JOURNEY TOGETHER**
